HOME DELIVERY

"Bringing the Library to Your Door..."

What is Home Delivery?

The Scarborough Public Library offers free delivery of materials to Scarborough residents unable to visit the Library due to long or short-term illness, immobility or age. We strive to offer the same access to information, both recreational and reference, that you would have when visiting the Library in person.

What can I request?

Any circulating material can be requested. You may request specific titles or our staff will make selections based on your preferences. Basic reference information is provided by phone or email.

How many items will I receive?

As many as you would like. Most people find that 4 to 5 items per delivery keeps them engaged. The number can be adjusted at any time.

When will I receive them?

Materials are delivered to your door twice monthly by volunteers or staff at a mutually convenient time.

How do I sign-up for this service?

Contact the Reference Desk at 883-4723 option 4 or fill out and mail us the form on the reverse of this brochure. There is also an application online that can be printed out and mailed.
